

Notice Regarding Special Enrollment Rights

This notice is being provided to make certain that you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within **30 days** after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within **30 days** after the marriage, birth, or placement for adoption. **(Note pre-tax payments may not be made for retroactive coverage due to marriage.)**

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within **60 days** of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

To request special enrollment or obtain more information, please contact your Plan Administrator.
